G.yung 'brug (b. 1985), a native of Rgyas rdzong Village, tells an Uncle Dunba story--a story about the infamous Tibetan trickster.

The village is home to 55 households (49 Tibetan households; 6 Han Chinese households) for a total population of 280. Villagers cultivate barley, potatoes, wheat, peas, prickly ash (Sichuan pepper), apples, English walnuts, pears, and corn. Rgysa bzang villagers and residents of nearby Khrims ri (Changna) and La rgyab (Najiao) villages speak nearly the same distinctive Tibetan dialect.
